

# I'm waitin'

M. & L.: W. Schmidder

## 1.

I'm waitin' for heaven – I'm waitin' for hell  
I'm waitin' for somethin' – only time will tell  
I'm waitin' for justice – on judgement day  
Waitin' for the moment – you've got nothin' to say

I wait for salvation – from dusk 'till dawn  
I'm waitin' for the good Lord – to call me home  
I'm waitin' for ages – for somethin' I miss  
I'm waitin' for nothin' – not even your kiss

There was a time, I could cry  
Leave me alone, it's a final good bye  
You're bitchin', you're cheatin' you lie and you steal  
You keep me waitin' and I'm waitin' still – I'm waitin'

## 2.

I'm waitin' for silence – I must confess  
I'm waitin' for you babe – so take off your dress  
I wait for the waiter – I wait for my beer  
I'm waitin' and waitin' – I'm still waitin' here

I'm waitin' for supper – I'm waitin' for you  
So get in the kitchen – I'm waitin' for food  
I'm waitin' for coffee – I'm waitin' for tea  
I'm waitin' for you babe – you're not waitin' for me

There was a time, I could cry  
Leave me alone, it's a final good bye  
You're bitchin', you're cheatin' you lie and you steal  
You keep me waitin' and I'm waitin' still – I'm waitin'
