

Emancipation Blues

M. & L.: W. Schmidder

1.

Oh Lord, look what you did –
what have you done to this impeccable rib
Oh no – what have you done

Oh Lord, what did you do –
emancipation is the devil in you
Oh no – what have you done

Chorus:

Marilyn Monroe's got nothin' to say –
No Pillow Talk with Doris Day
Girls best friends are diamonds and shoes –
Oh no – Emancipation Blues

2.

Jesus Harry Christ and holy shit –
what did Daddy do to this impeccable rib
Oh no – look what he'd done

Holy Mother Mary is out of control –
she's talking too much, she's hurting my soul
Oh no – what have you done

Chorus:

Solo:

3.

Holy Ghost, look what he did –
what has he done to this impeccable rib
Oh no – what has done

Oh Lord, I'm loosin' my grip –
I'm so glad, you didn't take my hip
Oh no – what could you have done
