

Big Bad Mama

Music & Lyrics: W. Schmitter

1.

Well, she was drunk all over – when she rolled back home
Last drop o’ whiskey – runnin’ thru her bones
She was six foot four – and maybe 300 pounds
She stood in front o’ me – when her boobs began to bounce

Chorus:

Big-Bad-Mama’s gonna Rock’n Roll tonight
Big-Bad-Mama’s gonna make me feel alright
Big-Bad-Mama’s gonna Rock’n Roll
Big-Bad-Mama’s gonna save my soul
Big-Bad-Mama’s gonna Rock’n Roll tonight

2.

She drives me crazy – she drives me insane
She’s comin’ over me – like a hurricane
She likes it real hard – and she likes it loud
She chews me up – and spit me out

Chorus:
