

# Lil' Wolf

Music & Lyrics: W. Schmidder

**1.**

It's been a long time since I missed you  
Without knowin' who you are  
It's been a long time since I kissed you  
Our love seemed to be so far  
On the first day that i met you  
Without knowin' who you are  
Can you'll hear the lil' wolf howlin'  
Hear him howlin' ev'ry night

**2.**

It's been a long time since I felt this way  
You're the only one who can make my day  
Never thought, there'd be someone like you  
And now I know that was a fool  
Yes, I love you  
Yes, I love you  
And you'll hear the lil' wolf howlin'  
Hear him howlin' ev'ry night

**3.**

Our first night together  
Girl, I knew what I'd got  
You're wearin' leather  
You know it made me so hot  
You felt me deep inside o'you  
And then I blew your top  
I'm your lil' wolf howlin'  
Hear you howlin' every night
